

BBQ CHICKEN PIZZA CRESCENT RING

Prep Time: 20 Minutes - Start to Finish: 55 Minutes

This BBQ Chicken Pizza Crescent Ring is bound to become your new favorite way to enjoy pizza night! Pillsbury™ Original Crescent Rolls serve as the base for this saucy, cheesy creation that's fit for the whole family. Don't forget the pizza sauce for dipping!

3 cups cooked shredded chicken
2 cups shredded pizza blend cheese (8-oz package)
1/2 cup honey barbecue sauce
1 1/2 cups pizza sauce
2 tablespoons chopped red onion
2 cans (8 oz) refrigerated Pillsbury™ Original Crescent Rolls (8 Count)
1 tablespoon butter
1/4 teaspoon garlic powder

1. Heat oven to 375°F. Line large cookie sheet with cooking parchment paper.
2. In medium bowl, mix cooked chicken, 1 cup of the cheese, the barbecue sauce, 1/2 cup of the pizza sauce and the onion.
3. Unroll both cans of dough; separate into 16 triangles. On cookie sheet, arrange triangles in ring so short sides of triangles form a 5-inch circle in center. Dough will overlap. Dough ring should look like the sun.
4. Divide 1/2 cup cheese among half of each triangle closest to center of ring. Spoon chicken mixture on top of cheese; top with remaining 1/2 cup cheese.
5. Bring each dough triangle up over filling, tucking dough under bottom layer of dough to secure it. Repeat around ring until entire filling is enclosed (some filling might show a little). In small microwavable bowl, heat butter uncovered on High 30 to 60 seconds or until melted; stir in garlic powder. Brush butter mixture on top of ring.
6. Bake 20 to 25 minutes or until dough is deep golden brown and thoroughly baked. Cool 10 minutes. To serve, carefully place ring onto serving plate. Heat remaining pizza sauce; serve for dipping.

You can use leftover cut-up cooked chicken, or pick up a deli rotisserie chicken at the supermarket. Remove chicken from skin and bones, and cut into bite-size pieces.

Serve this delicious crescent ring with a tossed salad.

Swap pizza cheese blend for shredded cheddar cheese or shredded mozzarella cheese (or a mix of both), if desired.
